

2025 Foundation Grant Guidelines

Who we are

We believe local banking means so much more than just banking. It means being financially, socially, and emotionally invested in our local communities and ensuring that we are making a positive impact in our own backyard. We believe in helping improve the wellbeing and education of our neighbours and supporting our neighbourhood businesses. Because a healthy, successful community means more for everyone. **At Prospera, we're invested in Local Good.**

Previously known as the Westminster Savings Foundation, the Prospera Foundation is one of the largest credit union foundations in Canada and supports local programs and projects that help make our communities stronger and more inclusive places to live. The Foundation is guided by a dedicated Board of Directors and Senior Executives of Prospera Credit Union and is a registered charity with the Canada Revenue Agency. Established in 1992, the Foundation has contributed more than \$6.7 million in financial support to local organizations. With over \$10.5 million in assets, the Foundation receives all its capital from the credit union and income earned on this capital helps fund donations to a variety of charitable organizations in our communities each year.

The Foundation supports charitable projects and program in the areas of:

Local Business

We contribute to the growth of the local business ecosystem

- Charities supporting back-to-work or career transition services
- Charities offering volunteer services to develop skills, confidence, and connections

Health

We support charities offering preventative wellness services

- Mental health
- Physical wellness
- Work-life balance

Education

We provide our community with the foundations to reach their goals

- Financial literacy
- Mentorship programs
- Entrepreneurship programs

Given budget limitations, some programs or projects are beyond the granting scope of the Foundation regardless of their merit. However, we'll ensure that every application is reviewed carefully and evaluated against set criteria to ensure funds are invested carefully.

Expectations from Prospera

The Prospera Foundation expects the following from grant recipients:

- Grants must be used for the project for which they were requested, and the project should be completed within 12 months of receipt of funding (exceptions may be made if project spans longer than one year)
- Approval from Prospera Foundation prior to any significant alterations in projects/program plan
- Proper fiscal management
- Willingness to share project successes and challenges with the Foundation
- As applicable/appropriate, recognition of the support received from the Foundation (logo, program materials, verbal recognition etc.)
- Within three months of the completion of the project, the applicant organization must submit a final impact report that covers the following:
 - Project summary
 - Total number of persons/individuals impacted in the community
 - Impact to your organization (if applicable)
 - Community impact
 - Summarized budget breakdown
 - At least one story or comment from someone who was involved (volunteer, participant, family etc.)
 - Will this program/project be repeated again?
 - Any additional comments

In the event that the project is not completed or a final report not submitted, the Prospera Foundation may request a return of the grant funding received by the applicant organization and/or refuse to accept any future applications for grants from that organization.
